Having completed the cleaning of a splendid crop of bulbs that you will be delighted with, I wish to offer the following:

Gladioli

First sized bulbs are from $1\frac{1}{2}$ inches and up.

Second sized bulbs are from $1\frac{1}{4}$ inches to $1\frac{1}{2}$ inches.

PINK WONDER

The finest pink that I have ever seen. It is a strong grower, often producing flowers seventeen to nineteen to a spike. Four and five open at one time measuring $6\frac{1}{2}$ inches with little attention. This beautiful gladiolus is a light pink, yellow shading at base of lower petals overlaid with rose. A fine flower in every way.
